

Dear Parent/Guardian:

I will be showing the complete *Le Comte de Monte Cristo* film in your son/daughter's French class during the Month of May 2017. *This movie* has some fencing scenes and is rated PG 13<sup>th</sup>. I need your authorization in order to show it. This video was selected to accompany our French history studies unit and due to its valuable cultural relevance as it powerfully portrays the life of French people during the Napoléon era.

If you wish to preview this video, please let me know. Feel free to direct any questions or concerns to me via phone or e-mail. If you do not wish for your son/daughter to view the film, please contact me prior to the start of the viewing of the movie and other arrangements will gladly be made.

Thank you,

Annette Koerten
